Where Teams Go To Level UP

Choose Your World

Escape the office & enter the Game

Pac-Man The Live Experience

Step into gaming history with the PAC-MAN LIVE EXPERIENCE, where the iconic arcade classic bursts into reality in this ground breaking immersive adventure.

Chaos Karts

Transported to immersive virtual worlds, where you can race through six landscapes, overcome virtual obstacles, and unleash fantastical weapons.

Chaos Karts - The Corporate Grand Prix

This Isn't Go-Karting. This Is Combat on Wheels

Battle Royale

Dodge lasers. Collect gems. Unleash EMPs. This isn't about being the fastest—it's about being the smartest

No Helmets Needed

Just projected tracks and digital weapons.

Team Experience

6 themed tracks - Race from the deserts of Arizona, Tokyo, to Space Stations and much more

PAC-MAN The Live Experience - Nostalgia, Rebooted

You Don't Play PAC-MAN. You Become Him

Step inside a glowing PAC-MAN maze where every corner hides danger—and fruit.

Multi-Level Adventure

Blending physical activity with digital gameplay, chase top scores through 12+ levels of physical & digital retro-fueled fun

Zero Experience

No gaming skills needed, just bring enthusiasm and stamina.

HYPER TAG

Hyper Tag - Team Deathmatch

While Others Play Trust Falls, Your Team Could Be Waging Strategic War

A fast-paced, Virtual Reality, team-based shooter where respawns are frequent. Players compete to rack up the most eliminations within a set time, prioritizing reflexes and aggressive play-style across 14 fantastical maps for you to choose from

**12 unique heroes with
special abilities and
play styles**

**14 vibrant worlds -
each with distinct
tactical advantages**

**Team-based strategy -
coordination leads to
victory**

Hyper Tag - Bomb Diffuser

Two teams take turns planting a bomb, the other tries to defuse it before it explodes. Switching roles after each round, strategy and map knowledge across 4 distinct maps are key for tactical victories and clutch comebacks

Hyper Tag - Zombie Waves

Survive swarms of aggressive zombies & giant spiders. Dodge their webs, break through ambushes, and use teamwork to beat the creeping horror in frantic, increasingly difficult levels for arachnid-phobic thrill seekers.

Team up and survive the undead apocalypse

Intense wave-based survival - Each level brings new weapons and challenges

Fortification system - Build barricades between waves to strengthen your defense

Adaptive Zombies - Smart, relentless monsters that adapt to your tactics
