PRESENTATION

The first immersive venue for
bespoke events in Nice

Ideally located on the Promenade des Anglais, in Nice, Cité Immersive offers an exceptional setting for hosting your events. Through innovative 1.000^{sq-m} scenography, this immersive experience takes your guest on a timeless journey into the heart of a vivid and spectacular historical narrative.

Accessible to all, the exhibition "Vikings : The Odyssey to the Ends of the World" is composed of five thematic and historical rooms. Collection pieces, video shows, historical sets and interactive experiences bring to life the extraordinary adventure of Viking expeditions across the world.

The Hall of Dream, highlight of the journey, is ideal for hosting your events. With a surface area of 185^{sq-m} and 360° immersive video projection covering both walls and floor, it offers a bespoke and captivating setting for an unforgettable experience.
